

## Making Carlisle a Dementia Friendly Community

Carlisle Dementia Action Alliance is a developing partnership of businesses, non-profit organisations and community groups working to make Carlisle a Dementia Friendly Community.

We would like to invite you our launch at Tullie House on **Wednesday 17<sup>th</sup> May 2017, from 9.30am - 12.30pm**. Tea/coffee will be available at 9.30am, with the event starting at 10.00am, and lunch will be available.

We know your organisation already supports people affected by dementia. So joining the alliance will enable you to share your knowledge, experience and good practice with partners, as well as gaining valuable support.

The workshop will outline what a Dementia Friendly Community is and will suggest what Carlisle can do to achieve this. Our Key Speakers will be

- Colin Glover - Leader, Carlisle City Council
- Cathryn Beckett-Hill - Public Health Locality Manager, Cumbria County Council
- Margaret Irving – Alzheimer’s Society Cumbria Local Representative
- Cumberland Building Society – Helen Hornsby (Investment Administration Manager) and Jack Green (Branch Manager)
- Ray Sempill – Football Development Officer (Inclusion), Cumberland FA
- Peter Jones – Alzheimer’s Society Volunteer

Please confirm whether you can attend by **Wednesday 10<sup>th</sup> May 2017** to [rachael.peckford@carlisle.gov.uk](mailto:rachael.peckford@carlisle.gov.uk) in order to secure your place. Your support can really make a difference.

We look forward to seeing you there.
