

## “Getting people into work” and “Supporting people in work”

### Mapping existing provision

The aim of this document is to help us all understand what support is currently available in Carlisle district, and what we feel the gaps are. If you would prefer an emailed version please contact Emma Dixon. Please return this by the **Tuesday 31<sup>st</sup> January.**

Company/Organisation:	
Contact Name:	
Position:	
Email:	Telephone:
Website:	
Organisation type; please provide a brief description of your organisation’s role and responsibilities	
What support does your company/organisation currently offer to its own workforce in terms of workplace health?	
What could your company/organisation potentially offer to help ‘getting people into work’ and / or ‘supporting people in work’?	
What do you think are the gaps in supporting this area of work in Carlisle?	
Any other comments or suggestions for consideration?
